Students must submit one major essay over the course of the term, 12-15 pages double-spaced and worth 40% of their overall grade. On the first day of class (Sept. 10) they will be given a choice of essay topics, due no later than November 1.

### **Digital Archival Resource Evaluation**

Students are given the task of finding an exceptional archival outreach resource (ie. digital exhibit or archival digital classroom) and submitting a critique (8-10 pages). Students are encouraged to discuss their choice with the instructor. The critique is worth 25% of the overall grade. Instructions on this assignment will be given on Sept 10 and the assignment is due on December 3 (Week 12).

### **Exercises**

Students will be given two practice-based exercises, each worth 15%. Exercise 1 is based on applying learned principles of archival appraisal; Exercise 2 is based on applying learned principles of arrangement.

### **Participation**

Over the course of the term, five questions will be assigned at the discretion of the instructor. Each question will be worth 2% (totalling 10%). Each will pertain to the chosen week's particular lecture/readings. Students will have until the following week to submit a written answer, no longer than half a page.

### **Expectations:**

All assignments will be assessed on the basis of the following criteria:

1. Mastery of sources;
2. Quality of thought and expressive force;
3. Factual accuracy, clarity, conciseness and comprehensiveness.

**Key dates and deadlines are as follows:**
